Sir:

Applicants submit a Request for Continued Examination which is submitted along with a Renewed Petition to Revive under 37 CFR 1.137(b) and in response to the Advisory Action mailed February 7, 2011, for the above-referenced patent application. Applicants filed a Notice of Appeal on January 24, 2011, for which an Appeal Brief was due no later than August 24, 2011. Applicants inadvertently failed to respond within the maximum statutory period and the application was abandoned. Accordingly, Applicants submit a Request for Continued Examination and a submission and a Renewed Petition to Revive under 37 CFR 1.137(b), along with the appropriate fees.

Introductory Comments

Applicants submit U.S. Patent No. 5,023,016 to substantiate their position that the cited references do not detract from the patentability of the presently claimed invention.
